INBOUND TOLL FREE NUMBER SERVICE

Inbound Toll-Free Number Service is an 8XX number that allows callers to originate direct dialed calls to the 8XX number without incurring a toll charge. The charge for using a toll free number is paid by the called party instead of the calling party. The service is available for use twenty-four (24) hours a day, seven (7) days a week. Service is terminated over standard Customer-provided switched access lines.

Interstate service is offered in conjunction with Intrastate service.

The Carrier will make every effort to reserve toll-free vanity numbers on behalf of Customers, but makes no guarantee or warranty that the requested toll-free number(s) will be available or assigned to the Customer requesting the number.

If a Customer accumulates undisputed delinquent charges, the Carrier reserves the right not to honor that Customer's request for a change in service until such charges are paid in full.

The Customer does not retain rights in toll-free numbers, which are shared with other Customers of the Carrier. Shared toll-free numbers are not portable. Toll free directory listing will not be provided.

These plans are available only to customers who are enrolled in TDS Long Distance's **Intrastate** Toll Free Service Plans.

Small Business Service Offerings

DIRECTORY ASSISTANCE

A Directory Assistance charge applies per interstate directory assistance calls made from points specified within the United States. The customer may make one request for a telephone number per call. The Directory Assistance charge applies regardless of whether the operator is able to supply the requested number. Discounts are not applicable to Directory Assistance charges. Directory Assistance charges are not included in usage commitments or computed in any discount calculations.

Per call to directory assistance: \$0.95

DIRECTORY ASSISTANCE CALL COMPLETION

A customer calling Directory Assistance service, as offered in the local exchange company tariffs, may request the completion of a National Directory Assistance number that was provided during the directory assistance call.

Local call allowances do not apply to Call Completion.

Calls are billed in one-minute increments. Fractional minutes are rounded up to the next minute.

Call Completion per minute \$0.10

OPERATOR SERVICE

Operator Services allow Customers to place specified types of subscriber-dialed and operator-assisted calls via local telephone access lines or via dedicated facilities.

The appropriate surcharge will be assessed on a per call basis. For calls made using a telephone company card or a commercial credit card, acceptance of the card will be dependent upon the Carrier's ability to verify the card as valid. Only those cards accepted by the Carrier may be used for Operator Services.

The following per call and per minute charges apply in all rate periods. Calls are billed in one- (1) minute increments with fractional minutes rounded to next higher minute. Per Minute rates apply to calls lasting at least one (1) minute. The per-minute charge applies in all rate periods.
