OUTBOUND ENHANCED FLEX PLAN (Domestic Calling)

Outbound Service allows customers to originate direct dialed calls over standard customer-provided switched access lines to anywhere in the continental states.

Calls are billed in six- (6) second increments with fractional minutes rounded to next higher minute unless specified differently under the plans listed below. Rates apply to calls lasting at least thirty (30) seconds.

INBOUND ENHANCED TOLL FREE FLEX PLAN

Inbound Toll-Free Number Service is an 8XX number that allows callers to originate direct dialed calls to the 8XX number without incurring a toll charge. The charge for using a toll free number is paid by the called party instead of the calling party. The service is available for use twenty-four (24) hours a day, seven (7) days a week. Service is terminated over standard Customer-provided switched access lines.

Interstate service is offered in conjunction with Intrastate service.

Calls are billed in six- (6) second increments with fractional minutes rounded to next higher minute unless specified differently under the plans listed below. Rates apply to calls lasting at least thirty (30) seconds.

The Carrier will make every effort to reserve toll-free vanity numbers on behalf of Customers, but makes no guarantee or warranty that the requested toll-free number(s) will be available or assigned to the Customer requesting the number.

The Customer does not retain rights in toll-free numbers, which are shared with other Customers of the Carrier. Shared toll-free numbers are not portable. Toll free directory listing will not be provided.
